A BILL

To amend title XVIII of the Social Security Act to provide protections for medicare beneficiaries who enroll in medicare managed care plans.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Medicare Patient
5 Choice and Access Act of 1995”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

1 (1) There should be no unreasonable barriers or
2 impediments to the ability of individuals enrolled in
3 health care plans to obtain appropriate specialized
4 medical services.

5 (2) The patient's first point of contact in a
6 health care plan must be encouraged to make all ap-
7 propriate medical referrals and should not be con-
8 strained financially from making such referrals.

9 (3) Some health care plans may impede timely
10 access to specialty care.

11 (4) At any time, patients must be able to access
12 out-of-network items, treatment, and services at an
13 additional cost to the patient which is not so prohibi-
14 tive that they are deterred from seeing the health
15 care provider of their own choice.

16 (5) Specialty care must be available for the full
17 duration of the patient's medical needs and not lim-
18 ited by time or number of visits.

19 (6) Direct access to specialty care is essential
20 for patients in emergency and non-emergency situa-
21 tions and for patients with chronic and temporary
22 conditions.

23 **SEC. 3. PROTECTION FOR MEDICARE HMO ENROLLEES.**

24 (a) IN GENERAL.—Section 1876 of the Social Secu-
25 rity Act (42 U.S.C. 1395mm) is amended—

1 (1) in subsection (c)(1), by striking “subsection
2 (e)” and inserting “subsections (e) and (k)”, and

3 (2) by adding at the end the following new sub-
4 section:

5 “(k) BENEFICIARY PROTECTION.—

6 “(1) MINIMUM LOSS RATIO.—

7 “(A) IN GENERAL.—Each eligible organi-
8 zation shall have a loss-ratio that is not less
9 than 85 percent for each contract year.

10 “(B) LOSS RATIO DEFINED.—In subpara-
11 graph (A), the term ‘loss-ratio’ means, with re-
12 spect to an organization for a contract year, the
13 ratio of (i) the anticipated aggregate benefits
14 provided under this section to enrollees for the
15 year, to (ii) the aggregate amount of the pre-
16 miums collected (including payments to the or-
17 ganization under subsection (a) for the year, as
18 estimated on the basis of incurred claims expe-
19 rience and earned premium for the year.

20 “(2) ASSURING ADEQUATE IN-NETWORK AC-
21 CESS.—

22 “(A) TIMELY ACCESS.—An eligible organi-
23 zation that restricts the providers from whom
24 benefits may be obtained must guarantee to en-
25 rollees under this section timely access to pri-

1 mary and specialty health care providers who
2 are appropriate to the enrollee's condition.

3 “(B) ACCESS TO SPECIALIZED CARE.—En-
4 rollees must have access to specialized treat-
5 ment when the treating provider deems nec-
6 essary. This access may be satisfied through
7 contractual arrangements with specialized pro-
8 viders outside of the network.

9 “(C) CONTINUITY OF CARE.—An eligible
10 organization's use of case management may not
11 create an undue burden for enrollees under this
12 section. An organization must ensure direct ac-
13 cess to specialists for ongoing care as so deter-
14 mined by the case manager in consultation with
15 the specialty care provider. This continuity of
16 care may be satisfied for enrollees with chronic
17 conditions through the use of a specialist serv-
18 ing as case manager.

19 “(3) ASSURING OUT-OF-NETWORK ACCESS.—

20 “(A) IN GENERAL.—An eligible organiza-
21 tion that contracts with a specific network of
22 providers must not limit the ability of its enroll-
23 ees under this section to seek at any time items,
24 treatment, and services from out-of-network
25 providers for all covered benefits.

1 “(B) REIMBURSEMENT FOR OUT-OF-NET-
2 WORK SERVICES.—An eligible organization
3 under this section shall provide for reimburse-
4 ment for the enrollee, consistent with the cost-
5 sharing schedule established under subpara-
6 graph (C), with respect to out-of-network serv-
7 ices which are described in subparagraph (A),
8 so long as the services were medically appro-
9 priate, and were covered benefits in-network.

10 “(C) ESTABLISHMENT OF COST-SHARING
11 SCHEDULE.—Each eligible organization shall
12 establish (by not later than one year after the
13 enactment of the Medicare Patient Choice and
14 Access Act of 1995) a cost-sharing schedule
15 which applies to payment required under sub-
16 paragraph (B) for out-of-network services.

17 “(4) GRIEVANCE AND APPEALS PROCESSES.—

18 “(A) GRIEVANCE PROCESS.—The organiza-
19 tion must provide meaningful procedures for

23 care services) and members enrolled with the
24 organization under this section.

25 “(B) BOARD OF APPEALS.—

1 “(i) IN GENERAL.—Each eligible or-
2 ganization shall establish a board of ap-
3 peals to hear and make determinations on
4 complaints by enrollees concerning denials
5 of coverage or payment for services
6 (whether in-network or out-of-network)
7 and the medical necessity and appropriate-
8 ness of covered items and services.

9 “(ii) COMPOSITION.—A board of ap-
10 peals of an eligible organization shall con-
11 sist of—

12 “(I) representatives of the orga-
13 nization, including physicians,
14 nonphysicians, administrators, and

17 rollees; and

22 board of appeals shall hear and resolve
23 complaints within 30 days after the date
24 the complaint is filed with the board.

2 this paragraph may be construed to replace or
3 supercede any appeals mechanism otherwise
4 provided for an individual entitled to benefits
5 under this title.

6 “(5) NOTICE OF ENROLLEE RIGHTS AND EN-
7 ROLLEE INFORMATION CHECKLIST.—

8 “(A) IN GENERAL.—Each eligible organi-
9 zation shall provide each enrollee, at the time of
10 enrollment and not less frequently than annu-
11 ally thereafter, an explanation of the enrollee’s
12 rights under this section and a copy of the most

2 plan to control utilization of services
3 and expenditures,

15 vider group, the organization—

16 “(I) provides stop-loss protection
17 for the provider or group that is ade-

19 standards developed by the Secretary
20 that take into account the number
21 (and type) of providers placed at such
22 substantial financial risk in the group
23 or under the plan and the number of
24 individuals enrolled with the organiza-

1 tion who receive services from the pro-
2 vider or the group, and
